

WORLD CULTURES

This itinerary explores the Smithsonian's extensive holdings from worldwide cultures, past and present.

American Indian Museum

The museum presents Native philosophy, culture and history throughout the Americas.

African Art Museum

The Art of the Personal Object features everyday items—furniture, bowls, baskets—from eastern and southern Africa.

Freer and Sackler Galleries

Be sure to see the exhibition *Luxury Arts of the Silk Route Empires* and the wine container from the 15th century B.C. Enjoy a snack or light lunch at the kiosk near the Carousel before heading across the National Mall.

Natural History Museum

Explore the cultural exhibitions in Natural History, which include *Sikhs: Legacy of the Punjab and African Voices*.
